

MANY LEADERS IN FRAT WORLD TO ATTEND IFW

Many leaders in the fraternity world will be on the Gettysburg College campus March 11, 12 and 13, when the college holds its 20th annual Interfraternity Weekend.

Gettysburg, named last year by the National Interfraternity Conference as the school having the best interfraternity council among the nation's smaller colleges, is noted for its annual Interfraternity Weekend, which features outstanding speakers as well as the simultaneous initiation of pledges of each of the college's 12 national and one local fraternities.

The main speakers for this year's affair will be Howard L. Brown, a member of Phi Sigma Kappa, and chairman of the National Interfraternity Conference, and Rev. John Henry Frizzell, chaplain emeritus of Pennsylvania State University and now national chaplain of Phi Kappa Psi Fraternity. Brown will speak to the local pledges on Friday, the night before their initiation ceremonies. Rev. Mr. Frizzell will speak at the annual Sunday morning church service to be held in Christ Chapel. Another highlight of the weekend will be a panel of national fraternity officers at the Interfraternity Alumni Luncheon, Saturday.

Frat Officers Coming

Among the national fraternity officers planning to take part in the weekend activities are: Fred Hultson, province president, Phi Delta Theta; F. Carl Meyer, section chief, Phi Gamma Delta; J. Duncan Campbell, national editor, Phi Kappa Psi; H. L. Stuart, member of the Grand Council, Phi Delta Theta; Dr. Robert Croesen, dean of Lafayette College, and national president, Kappa Delta Rho; Dr. Fenton Dougherty, dean of men at the University of Delaware, and national scholarship director, Phi Kappa Psi; James W. Bradley, first vice regent, Sigma Nu; Dr. Robert B. Fortenbaugh, head of the Gettysburg College history department and worthy grand chaplain of Alpha Tau Omega; Howard P. Falls, eminent supreme herald, Sigma Alpha Epsilon; and Walter Garman, assistant national treasurer, Kappa Delta Rho.

57 SIGN FOR FIRE AUXILIARY

Fifty-seven women have signified their intention of joining the new Auxiliary of the Gettysburg Fire Department, Eugene Sickles, secretary of the department, said today.

That number has returned cards sent to the wives and mothers of firemen asking them if they wish to become charter members of the new organization.

Others who may wish to enter the group during the pre-charter period are asked to return the cards to Sickles, prior to Wednesday evening when the regular fire department meeting will be held at the engine house.

The response so far "shows a decided interest on the part of the women in forming an auxiliary to the local fire department," officials said. Plans to organize the auxiliary were started by the firemen at the request of a number of women who have from time to time assisted with activities of the firemen, particularly the annual carnival, and who expressed the thought that they should have a formal organization of their own to better aid the company.

No date has been set for the first meeting of the new group but it was felt that such a date will probably be set at Wednesday night's meeting of the firemen in view of the "excellent response" to the card survey.

Yale Professor To Address Dinner

Rev. Roland H. Bainton, professor of ecclesiastical history at Yale University, will address the annual Interfraternity Club dinner, Tuesday evening at 6:30 o'clock, at St. James Lutheran Church. Rev. Mr. Bainton will also deliver a student-faculty lecture at the Lutheran Theological Seminary on that day. About eighty persons are expected to attend the dinner.

The Interfraternity Club is composed of faculty members of the seminary and college. The president, Dr. Jacob Heikkinen, will preside. The speaker will be introduced by Dr. Harry F. Baughman, president of the seminary. The invocation will be given by Dr. Ralph Gresh, pastor of the church.

GEORGE SITES BURIED TODAY

Funeral services for George P. Sites, 66, a native of Freedom Twp., who died Friday at a Minneapolis, Minn., hospital after an illness of some time, were held this afternoon in Minneapolis, with interment there.

A son of Sherman and Annie (Linn) Sites, late of Fairfield, he had moved to the west when he was 18, and for 30 years had been a telegrapher in South Dakota. Later he moved to Minneapolis and resided there after retiring. He attended the Sites reunion here last August and in October suffered a stroke.

Surviving are his wife, three sons, Donald, Maynard and Clair Sites; five grandchildren; one great-grandchild; a sister, Mrs. Margaret White, Cashown, and three brothers, Sherman, Lawrence and Milton Sites, all of Fairfield. Also surviving are an uncle, Stuart Sites Sr., and an aunt, Mrs. Amanda Hoffman, both of Fairfield.

Garlic Control Meeting Listed

County Agent Frank S. Zettle today announced plans for two meetings Friday on garlic control. Garlic in pasture has been a serious problem in the county, Zettle said, "but it can be controlled with chemical weed killers. Farmers no longer need worry about their milk being sent home because of garlic odor."

The meetings will be held at the farm of Stuart Lucabaugh on the Abbottstown-Hanover Rd. at 10 a.m. and at the farm of Edgar Leer on the York Springs-Cross Keys Rd. at 1:30 p.m. At both sessions demonstrations will be given of the use of weedicides to control garlic.

"TEEN TALENT" SHOW WILL BE GIVEN MAY 6TH

The recently formed Youth Council of Gettysburg, made up of officers and other representatives of Protestant churches of the community, will present a Teen Talent Show Friday evening, May 6, in the social room of Trinity Evangelical and Reformed Church. It was announced following a Sunday afternoon council meeting.

The talent for the show will be drawn from the youth groups that make up the council. No admission will be charged but a collection will be received at intermission.

The show, first project of the new Youth Council that was formed after the same groups cooperated in the observance of Youth Week early this year, will be presented at 7:30 p.m. May 6 and will be repeated on May 7 for the guests at the county home.

Refreshments will be on sale the night of the show.

The member churches and their representatives in the Youth Council follow: College Lutheran, Geoffrey Langsam and Signe Wagnild; Methodist, Robert Dillman and Johnetta Murray; Presbyterian, Hugh McIlhenny and Herman Smith; AME Zion, Donald and Doris Carter; St. James Lutheran, Roland Schriver and Mollie Lighter; and Trinity Reformed, William R. Swisher Jr., and a second representative yet to be named. Langsam is president and presided at Sunday's meeting.

Here And There News Collected At Random

Would you like to help fight communism

Every American has an opportunity to do so now.

It is through the "Crusade For Freedom" and "Truth Dollars." With "Truth Dollars" you can hit communism in its own back yard... BEHIND THE IRON CURTAIN.

What are "Truth Dollars?" "Truth Dollars" are American money, regular U.S. dollars.

One "Truth Dollar" sends a hundred words of truth and courage to 70 million captive people behind the iron curtain. These words, broadcast over Radio Free Europe, keep alive the will to resist Communist tyranny.

Radio Free Europe accomplishes many things. It exposes Red lies... unmask Communist informers... warns about brutal and inhuman treatment.

Actually, Radio Free Europe is 5 different stations in western Europe broadcasting the TRUTH through the iron curtain to the people of five satellite nations. All broadcasts are made in the native tongue and in the voices of known and trusted exiles.

For example, the "Voice of Free Czechoslovakia," using several of RFE's 29 transmitters, broadcasts a variety of programs (Continued On Page 6)

Xrays Today Will Determine Whether County Woman Will Be Freed From Cast After 8 Months

Mrs. James A. Meyers, co-proprietor with her husband of Meyers Poultry Farm, four miles east of here on the Lincoln Highway, was returned to the Lancaster General Hospital again Sunday. This time she is hopeful the cast from her ankle to her chest may be removed and may be able to "sit up for the first time in eight months."

Last July 23 Mrs. Meyers and her husband were enroute to Lancaster in their truck with a load of 400 dressed chickens. Mrs. Meyers dozed off and then Mr. Meyers fell asleep and the truck ran off the road and hit a utility pole.

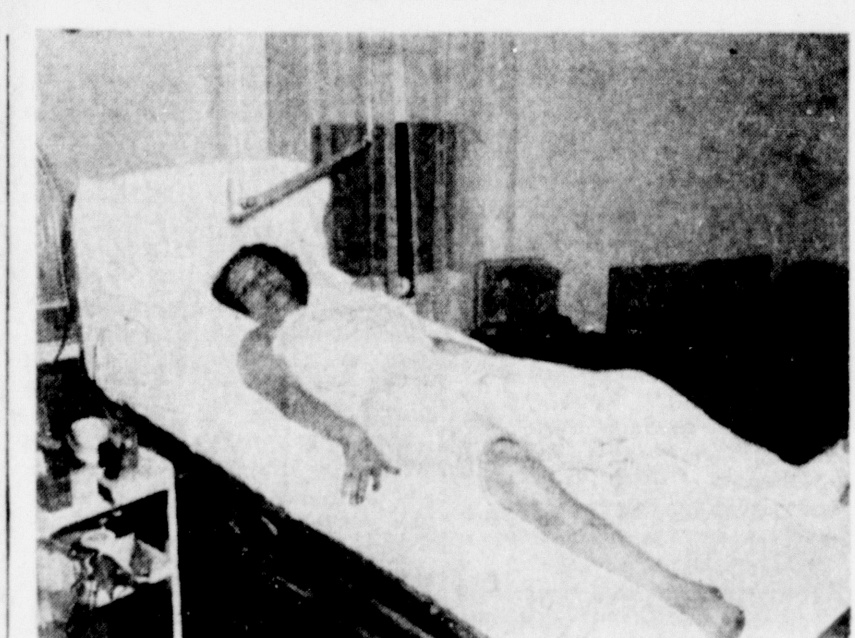

Five days later, when Mrs. Meyers recovered consciousness, she was in the Lancaster Hospital. She had suffered bruises of the body and numerous cuts and abrasions, but the most critical injury was a fracture of the leg, just below the left hip. Physicians explained that the break was such that it prevented the usual treatment. She was placed in a full-length cast. Nine weeks later she was sent home.

Use "Heart" Bed

One of the hospital beds purchased by the Adams County Heart Association and kept at the engine house was placed in the living room at her home.

Firemen explain: "The beds are purchased principally for use of heart patients, but they are loaned to anyone who needs them."

On November 30 Mrs. Meyers returned to the hospital with the hope that the cast would be removed.

Mrs. James Meyers, Gettysburg R. 5, is shown Sunday shortly before being taken to Lancaster where physicians will remove the toe-to-chest body cast in which she has been confined for eight months. The trapeze bar shown above her head permits her to move herself about in bed. A telephone beside her bed has permitted her to keep in contact with friends throughout the long period during which she has been unable to move more than her arms and part of the one leg. (Gettysburg Times Photo)

The cast was removed, X-rays were taken, and another cast was applied. The fracture had not knitted. She returned to the bed in her living room.

At Christmas gifts poured in. The Women of the Moose gave her a television set. Others gave her a canary and a parakeet.

Sunday afternoon Gettysburg firemen, Richard Cole, Glenn Weishaar, C. William Zhea and Robert Hartman, drove Mrs. Meyers to the

Wallets Missing At Saturday Dance

Two girls reported their wallets missing during a Recreation dance at the high school Saturday evening. Ann M. Redding, R. 2, told borough police Sunday morning that she and Sarah Riley, R. 3, attended the dance, and left their coats and purses in a corner. When they returned, she said, Miss Riley's wallet, and Miss Redding's purse and wallet were gone.

Miss Riley's wallet contained \$5, and Miss Redding's purse and wallet contained \$25. Miss Redding's purse was found Sunday morning on Franklin St. The money was missing.

Joseph Leroy Harmon Of Fairfield Dies

Joseph Leroy Harmon, 71, Fairfield, died at his home there at 9:25 p.m. Sunday.

Mr. Harmon was a native of Indiana, Pa., and formerly was employed by the Bethlehem Steel Company.

Surviving are his widow, the former Ruth Stoner of Fairfield; a son, Neal, Bledisell, N.Y.; seven grandchildren and four great-grandchildren. There are also a brother and two sisters. He was a member of the Methodist Church of Indiana. Funeral arrangements, being made by the Allison Funeral Home, are incomplete.

1,064 VISITORS HERE

The National Park reported that 1,064 tourists visited the Battlefield over the weekend, 504 on Saturday and 560 on Sunday. All came in private cars.

RECALL SIX ALARMS

Gettysburg firemen, watching the rain fall Sunday, recalled that five years ago the situation was a little different. On that March 6, 1950, the firemen were called out six times for grass and field fires.

White Flash From Atomic Blast Is Brightest Seen

LAS VEGAS, Nev. (AP)—The biggest and brightest blast of the 1955 atomic test series lighted western skies 20 minutes before dawn today.

The white flash was perhaps the most dazzling ever seen in Las Vegas, 75 miles from Yucca Flat. It shone a yellow gold color above the mountains near Los Angeles, 250 miles to the southwest.

It was almost as though the sun were trying to make an early appearance. This was the highest tower shot ever set off in Nevada. It was the 35th test at the Nevada site and fourth of the current series.

Fifty observers saw the detonation from Angel's Peak on the Charleston Range, west of the test site. They reported it was one of the most impressive shots ever seen from the mountain vantage point.

The explosion was from a 500-foot tower for the first time.

A vapor trail was visible high above the fire ball, perhaps the contrail of a high-flying exploratory, or "sniffer" plane, which may have been in the area as part of Air Force maneuvers shortly before the explosion.

The blinding flash finally faded like the filament of a light bulb.

The fireball, a perfect sphere, rose almost immediately but held firm about 20 seconds.

This was not the largest fireball or explosion at Yucca Flat. The final test of the 1953 series here displayed a device that exploded with a 30-second fireball and contained a power of about 50 kilotons, or 2 1/2 times normal A-bomb strength.

Today's shot probably packed a 30 kiloton punch, however. The standard A-bomb has a 10-second fireball and a power of 20 kilotons, or the equivalent of 20,000 tons of TNT.

The fireball, higher than usual, did not suck up as much dirt as some from the desert floor. The cloud rose quickly and the usual mushroom was clearly visible in Las Vegas in the first light of dawn. The stem was reddish and unusually thick.

As the top of the mushroom soared to perhaps 30,000 feet, it seemed to divide into two puffs. But it was entirely possible that it might be an ice-cap forming as it has at high altitude before.

The shock of the explosion hit the mountain-top observers 5 1/2 minutes after the flash. The Yeck is roughly 55 miles from Yucca Flat.

RECOLLECTION DAY DRAWS 103

A hundred and three women attended the annual Day of Recollection of the Conewago Deaneary Council of Catholic Women, held on Sunday at St. Joseph's Academy, McSherrytown. The Rev. John J. Brady, of the Jesuit order of priests, Philadelphia, was speaker for the day and conducted all of the services. The day of prayer began with mass at 8:30 a.m. and continued with breakfast, reflection, free time, conference, examination of conscience, lunch, recreation, meditation, rosary and the concluding Holy Hour. Cloud Shetter, Gettysburg, was caterer.

Miss Helen Murphy, Cornwall, president of the Harrisburg Diocesan Council of Catholic Women, and Miss Julia Edwards, Cornwall, were present as well as Mrs. Thomas French, Littlestown. Conewago Deaneary Council president, and members of the parish councils of Abbottstown, Bonneauville, Blue Ridge Summit, Buchanan Valley, Chambersburg, Conewago, Fairfield, Gettysburg, Hanover, Littlestown, McSherrytown, New Oxford, Shippenburg and Waynesboro.

Miss Margaret, Belz, McSherrytown, was in charge of arrangements for the Day of Recollection. There will be an important meeting of the Conewago Deaneary Board at 8 p.m., Tuesday, in the parish meeting room at the rectory of St. Mary's of the Immaculate Conception Church, Fairfield, which all Deaneary officers, parish presidents and deaneary chairman of standing committees are expected to attend.

REPORTS LAWN DAMAGE

M. L. Stokes, 231 E. Lincoln Ave., told borough police Saturday that someone had damaged his lawn Thursday night by driving over it. Police are investigating.

DIVORCE ACTION IS WITHDRAWN

One divorce action was discontinued by Judge W. C. Sheely Saturday, but masters were appointed for two others.

The suit which Faye D. (Teal) Renfro, New Oxford, had filed against Royce D. Renfro, of that borough, was dropped upon the request of Mrs. Renfro. Her request stated that her husband had returned to live with her on January 12, that they have resolved their marital difficulties, and the costs of the complaint have been paid. The original complaint was filed May 18, 1954.

Atty. Donald M. Oyler was appointed master for the divorce action which Helen M. (Sponseller) Sadler, Straban Twp., has brought against Donald Leroy Sadler, of that township. Atty. S. M. Raffensperger was appointed master in the action which Bradley F. Morelock, Littlestown, has brought against Anna Mae (Kress) Morelock, of that borough.

The services were conducted at the Pittenturf Funeral Home in York Springs by the Rev. Dr. Henry W. Stenat, Biglerville Lutheran pastor. Interment was made at the Goodyear Cemetery.

The pallbearers were Claude Hoff, Ralph Rinehart, Ray, Chester, Richard and William Weidner.

COL. WILLIAMS TO ATTEND AIR MEET IN SOUTH

Lt. Colonel Donald Williams, Professor of Air Science at Gettysburg College, is one of more than 200 professors of Air Science from colleges and universities in the country and in Hawaii and Puerto Rico who will attend the third annual Professor of Air Science Conference at Maxwell Air Force Base, Montgomery, Ala. The conference opens Tuesday, March 8 and runs through March 11.

Purpose of the conference, according to General M. K. Deichmann, Air Force ROTC Commandant, is to review present and future aspects of the AFROTC program in relation to national defense and citizenship training, and to discuss policies and procedures relative to selection, education and motivation of cadets. The conference, an annual affair, (Continued On Page 8)

COURT ALLOWS STATE'S APPEAL

Anthony J. Misiti and John Sponseller, Hanover, will have to appear before the Adams County court for a hearing on a charge of trespassing on land of R. H. Sheppard in Union Twp., according to an opinion handed down by the county court Saturday.

The opinion was based on an appeal by the Commonwealth from the judgment of Justice of the Peace L. G. Kuhn, Conewago Twp., who dismissed the trespass charge against the two for "insufficient evidence," and put the costs on the prosecutor.

The case is based on an event occurring at 8:30 a.m. December 1, when Misiti and Sponseller are alleged to have driven their car into a lane on the Sheppard property.

Apparently the two never got out of the car, a caretaker coming up at that moment to ask what they were doing on private land. Misiti is said to reported that he thought it was a public road and did not see any signs forbidding use of the lane. The caretaker told Misiti there were signs on either side of the lane. Sponseller is alleged to have said, "you don't have to get so tough" and the men apparently then drove their car out of the lane.

In its opinion the court held that an appeal was allowable because the justice dismissed the case for "insufficient evidence," while in actual fact "the testimony was sufficient, standing alone and uncontradicted, to establish the case." The opinion concluded by noting: "The parties are directed to appear in court for hearing at the direction of the district attorney."

300 PERSONS AT EUB SERVICES

Approximately 300 persons attended the opening service of the Centenary EUB Church, Biglerville Sunday evening. The song service was led by Ellis Zehr, Rockville, Indiana. He had been the soloist and song leader in the campaigns the last two years. He sang "He Holds the World in His Hands," a negro spiritual, and "What Would Your Answer Be?" accompanied by Mrs. Zehr.

Evangelist Jimmie Threlfall, Pontiac, Mich., spoke on "Hell as Seen Through the Cross." Following the message there were four decisions for Christ.

Tonight has been designated as Old Family Hymns Night with Raymond and Anna Edwards of Frederick directing. "Pew-Packers Night" will be observed Tuesday night with an award for the person bringing the most guests. Wednesday will be "Good News Club Night" with a special program for children, beginning at 7 o'clock. The Thursday night club held at the home of Mrs. Orville Faust will meet with the club at the church for the two weeks of the campaign.

TO ADDRESS EXCHANGE

Fred H. Sanders, manager of Hennig's Bakery, will address the Exchange Club at its weekly meeting Tuesday evening at 8:30 o'clock in Banker's Restaurant.

WIFE OF GARAGE PROPRIETOR AT SUMMIT IS SHOT IN HEAD SUNDAY

Mrs. Catherine Tracey, 42, wife of the proprietor of Tracey Corners, well-known garage at Blue Ridge Summit, fatally wounded herself with a .38 caliber revolver Sunday afternoon.

Death came Sunday evening at a Baltimore hospital.

Her husband, Stanley E. Tracey, was at their home near the garage at 1:10 o'clock Sunday afternoon when he heard the sound of a shot in the garage. He ran to the structure and found his wife collapsed on the floor of the garage, he told State Police.

Cpl. Perry Mann, of the Chambersburg sub-station of the State Police, said that the Blue Ridge Summit ambulance was summoned and Mrs. Tracey was rushed to Westminster where she was transferred to a Westminster ambulance for the remainder of the trip to University Hospital, Baltimore.

Services On Tuesday

The trip with police escort by ambulance to Baltimore for brain surgery to save her life proved fruitless. Death came there at 5:14 o'clock Sunday afternoon.

State police said Mrs. Tracey had been in ill health for several months and had several times previously threatened to take her life.

Surviving in addition to her husband are an adopted daughter, Sherry Tracey, an eighth grade student at Fairfield Junior High School, and a brother, William Speck, Greenville, Va.

Private funeral services Tuesday afternoon at 2:30 o'clock at the Allison Funeral Home, Fairfield, with the Rev. Harry S. Ecker, pastor of the Lower Marsh Creek Presbyterian Church, officiating. Interment will be in the Fairfield Union Cemetery.

COLLEGE GRAD PASSES AWAY

Carl Weiser Fleck, 65, son of Mrs. Annie L. Fleck, and the late Rev. Cyrus L. Fleck, Riegelsville, Conn., died Friday at Norwalk, Conn.

Mr. Fleck was graduated from Riegelsville Academy in 1906 and Gettysburg College in 1910, attended Princeton University Graduate School, was principal of Riegelsville High School, and subsequently a member of the faculty of Abington High School.

He was a veteran of World War I, serving in France as first lieutenant of 55th Pioneers. Following the war he was a construction engineer for Lock-Joint Pipe Company, Ampere, N. J., from 1919 to 1930.

Until his retirement in 1932, he was a staff member of the Bureau of Workmen's Compensation, Department of Labor and Industry, at Harrisburg.

For a number of years Mr. Fleck was a resident of Mt. Holly Springs where he was a trustee of the Amelia S. Given Free Library. He was a member of the Lutheran Church, Mt. Holly Springs, American Legion and Veterans of Foreign Wars of Carlisle, York County Historical Society, Northampton County Historical Society and Prosperity Lodge No. 567, F. and A. M., Riegelsville.

PRINCESS MAY WED DIVORCED AIR OFFICER

By HAL COOPER
LONDON (AP)—Persistent press rumors that Princess Margaret will wed divorced air ace Peter Townsend got unexpected support today. A big-circulation tabloid carried an interview with the RAF group captain indicating there may be something to the stories.

British papers first dropped hints that Margaret was in love with Townsend—more than 15 years her senior—two years ago when he was an equerry in the royal household and they were frequently seen together at social functions.

The reports died down a short time later after Townsend suddenly was whisked off to Brussels as air attaché at the British Embassy. Since then, as far as the British public knows, they haven't met.

But two big Sunday papers—the People and the Pictorial—asserted this weekend that the romance is still very much alive and that the matter will soon come to a head.

Publishes Interview
Today the Mirror, which is under the Pictorial and has a circulation of 4½ million, carried an interview with the 40-year-old Townsend in Brussels which gave the impression the stories had some basis.

Mirror reporter Howard Johnson said he told Townsend that the Pictorial had commented that if Margaret "places above all the man she loves, then she need fear no enduring rebuke."

He quoted Townsend as replying, "That is nice to hear." Johnson said he also told Townsend the Pictorial had predicted there soon would be an announcement from Buckingham Palace "concerning yourself and Princess Margaret."

He said Townsend replied: "Please don't quote me on this. I think it gives away too much of my thoughts."

Will Be 25 In August
The stories reviving the romance rumors were pegged on the fact that Margaret will be 25 Aug. 21. Then she will be free to marry without permission of her elder sister Queen Elizabeth II.

In order to wed a commoner, Margaret must renounce her right of succession to the throne. She now ranks third—below the Queen's children, Prince Charles, 6, and Princess Anne, 4. She also would be dropped from the civil list which will pay her 9,000 pounds (\$35,200) a year if she marries and retains her royal status. She now gets 6,000 pounds (\$16,800) annually from the British Treasury.

Townsend's divorce provides the main complication. He won a decree from his wife in 1952. The Church of England, with which the royal family is closely associated, opposes the remarriage of a divorced person even if he is the innocent party.

7 PROPERTIES TRANSFERRED

The following property transfers have been filed with the office of the register and recorder:

The administrators of the estates of Harold E. Sutphin and his wife, Ruby McQueen Sutphin, both late of Mt. Joy Twp., sold to Elmer Shanks and wife, Baltimore, for \$7,200, a property of approximately 163 acres in Mt. Joy Twp., subject to a mortgage of \$7,200.

The administrators of the estate of George H. Eckenrode, late of Butler Twp., sold to W. Earl Pohl and wife, Biglerville, for \$4,000, a property of approximately 3 acres in Butler Twp.

The school district of Oxford Twp., sold to Louis S. Reifsnider, Hanover, for \$2,000, at public sale, a property in Oxford Twp. The auction was held October 30, 1954.

James W. Schuler Jr. and wife, Oxford Twp., sold to Mrs. Reifsnider, their claims to the same property, for \$200.

Chauncey J. Smith and wife, McSherrytown, sold to George F. Hockensmith and wife, of that borough, for \$1,250, a property in that borough.

In 1951, L. D. Shearer and wife, Gettysburg, sold to Clarence R. Hardman and wife, of this borough, for \$700, a property at Highland Ave. and Johns St. The deed was filed Saturday.

In 1953, Mr. and Mrs. Hardman sold to their son-in-law and daughter, Boyd E. Rinehart and wife, 5 Johns St., for \$1, the same property.

Edward P. Emerson and wife, Oxford Twp., sold to George A. Keefer and wife, Littlestown R. 1, for \$400, a property in Union Twp.

OFFERS TO GIVE BLOOD FUTILE

NEW YORK (AP)—Hundreds of offers of blood for a dying 11-year-old girl flooded in after an appeal on television by Jackie Gleason.

But little Angela Rogers died at Columbia-Presbyterian Medical Center less than two hours after the broadcast.

She had suffered for years from cystic fibrosis, with her life frequently in danger.

At the end of his regular Saturday night program, Gleason broadcast that the child desperately needed O negative blood as the result of an operation Tuesday.

Both the hospital and CBS were soon swamped with calls from persons offering blood.

A hospital spokesman said there was no shortage of the girl's blood type and the Red Cross regional blood program had promised to supply all that was needed.

The Red Cross said the girl's blood type is not particularly rare and is found in about 6 of every 100 persons.

Gleason made the appeal at the request of another television comedian, Garry Moore. Moore, a boyhood friend of the little girl's father, William F. Rogers, of Southbury, Conn., said he had been asked to help get blood for the child.

Moore said the girl's doctor and hospital officials told him blood was needed but local supplies were exhausted.

The appeal for donors was canceled by a CBS announcement about 90 minutes after it was made.

OHIO RIVER GOING HIGHER

CINCINNATI, Ohio (AP)—The swelling Ohio River—which has routed hundreds of families from homes along its banks—will go higher than had been anticipated as water from heavy rains yesterday rolls in from tributaries.

There were no reports of heavy damage as the river continued to rise toward doorsteps in low-lying areas from Pomeroy, Ohio, to Louisville, Ky. The Ohio highway patrol reported the river falling above Marietta, Ohio.

Some 2,400 people in 603 families were evacuated by last night, the patrol said.

At Catlettsburg, Ky., at the junction of the Big Sandy and Ohio rivers, 800 of the town's 4,700 people probably will be forced to leave their homes by the time the river crests there tomorrow, authorities estimated.

Some people from every southern Ohio county bordering the river have left their homes. More than 35 roads were closed at various points near the river.

PLANE FALLS IN FORMOSA

TAIPEI, Formosa (AP)—A U.S. Air Force transport plane carrying 14 persons crashed yesterday in the cloud-hidden mountains of southeast Formosa.

Search planes spotted the wreckage today and reported no sign of survivors. Rescue parties were on the way to the scene.

The C54 was on a flight from Okinawa with five crewmen, nine passengers and a replacement engine for another U.S. Air Force plane stranded in Hong Kong.

It crashed about 20 miles north-west of Taitung. Off course 38 miles, it hit a 10,000-foot mountain at about the 9,000-foot elevation.

The plane was from the 6,000th Operation Squadron, Tokyo. It was last heard from yesterday in the vicinity of Hengchung, on Formosa's southern tip. It notified the air traffic control center there it would pass over in about a half hour.

The center ordered the plane to stay at 8,500 feet. The plane then asked for and received an altitude setting. No more was heard from it.

Curtis Roosevelt, FDR's Grandson, Wed
NEW YORK (AP)—Army Pvt. Curtis Roosevelt—the "Buzzie" Dall who frequently visited the White House during the early years of the late President Franklin D. Roosevelt's administration—was married yesterday to Miss Ruth W. Sublette.

His grandmother, Mrs. Franklin D. Roosevelt, was among those who attended the ceremony at the Metropolitan-Duane Methodist church. Also present were his uncle and aunt, Mr. and Mrs. John Roosevelt.

The 24-year-old bridegroom is assigned to Ft. Dix, N.J.

The 27-year-old bride, a New York City resident formerly of Montgomery, Ala., is on the staff of Vogue Magazine. It was her first marriage.

Changed His Name
The bridegroom is the son of Mrs. James Addison Halstead of Los Angeles, the former Anna Roosevelt, and of Curtis B. Dall of Philadelphia.

He legally changed his name from Dall to Roosevelt in 1950. His marriage to the former Miss Ruth Edwards, a model, ended in divorce.

REPORT ON SALES
Property valued at \$110,103 changed hands during the week ending last Saturday, according to statistics released by the office of the register and recorder. This compares with a \$55,117 total for the week which ended February 26.

"TRY THIS"

If you're feeling somewhat weary . . . as you tread life's rocky road . . . I have a thought to give to you . . . that will reduce the load . . . it deals with spreading happiness . . . and doesn't cost a cent . . . but it has power that can make . . . you joyful and content . . . it's just the being able . . . to pass along good cheer . . . by being real congenial . . . to people far and near . . . a pleasant word or tender smile . . . is tonic for mankind . . . pointing straight to brotherhood . . . and therefore peace of mind . . . cheer multiplies like magic . . . bounding from chest to heart . . . a wondrous chain reaction . . . that makes the blues depart . . . it brings real satisfaction . . . and is a godly kiss . . . don't you believe we all should try . . . to spread much more of this.

May Put Engineers
On Civil Service

ZELLENOPLE, Pa. (AP)—Robert F. Miller, president of the Pennsylvania Society of Professional Engineers, is on record today in support of civil service status for engineers employed by the state.

In a speech before the society's Butler and Beaver County chapters Saturday night, Miller said:

"The complexity of government today is such that we must have competent technicians to build and maintain our highways and our sanitation and health departments. It is seldom that you'll find a competent engineer who is also a party committeeman."

WILL FLY PIPER
PLANE TO AFRICA

LOCK HAVEN, Pa. (AP)—A 212-ton twin engine Piper Apache took off into the dawn today on the first leg of a 12,500 mile transatlantic journey to Pretoria, South Africa.

William T. Piper Sr., founder of Piper Aircraft, and his son, Howard, 37, left Lock Haven Airport at 6:15 a. m. bound for Fort Lauderdale, Fla. There William Piper Jr., 43, will join his brother on the trip to deliver the new craft to the firm's dealer in South Africa. The father will stay in Florida.

The original takeoff time was postponed yesterday because of bad weather along the seaboard. The Piper took off this morning as a snow storm was moving in from the West.

1,900-Mile Non-Stop Hop
The big trip will include a 1,900 mile non stop flight from Natal, Brazil, to Monrovia, Liberia, in in S o u t h A f r i c a — possibly the first west-east non-stop flight across the South Atlantic in a light aircraft.

The Apache weighs 4,500 pounds and cruises at 150 miles per hour. Extra fuel tanks have been installed in place of two seats at the rear of the cabin. The brothers expect to reach Pretoria by March 26.

The second leg of the journey will be from Miami, Fla., to the West Indies.

The Pipers are carrying with them greetings for the mayor of Pretoria from Dr. Milton S. Eisenhower. Both the town of Pretoria and the university are celebrating centennials this year.

Howard said the purpose of the long delivery flight is to demonstrate that businessmen may make long distance trips in light planes without relying on international aircraft.

AT EMMITSBURG

The regular meeting of the Emmitsburg Grange was held on Wednesday evening at the Emmitsburg Public School with 26 members present and Master Richard Florence presiding.

Applications for membership were received from Mr. and Mrs. Carlos Englar, Ethel Baumgardner, "home ec" chairman, gave a report on activities for the year. The sewing contest will be held before July 30 and the following items will be eligible: adult ladies, kitchen curtains or hooked rug; youth, cotton duster; juvenile, 10-14 years, shawl or three tiered skirt; juvenile, 5-9 years old, cotton stuffed toy.

Joan Hobbs, youth chairman, reported on the special youth meeting to be held March 30 at Ballenger Hall at 8 p.m. The young people will fill the chairs. Miss Ann Hobbs will represent the local grange at the meeting.

Gives Bowling Report

Rachel Emrich reported on the grange bowling league and revealed that with the season coming to an end this Friday Emmitsburg now is tied with Middletown, Carroll Manor, for first place, with three games to go. The team consists of Ann Hobbs, Rachel Emrich, Clyde Ohler, Raymond Kellholtz, Harry Swomley and Ed Meadows.

The local grange is sponsoring a 4-H club this year and an organizational meeting was held Friday in the public school.

The Middle-Atlantic Lectures' Conference will be held April 5-7 at the State Teachers College, Mansfield, Pa., and Ann Hobbs, group lecturer, will attend the session.

Drape Charter

Charter-draping services were held in memory of Morris A. Zentz, a recently departed member. Brother Zentz was a charter member of the grange and a past worthy master.

"We remember our brother not as one dead, he has only gone on before us through the gates of the Grange above where dwells the Great Master of us all."

The annual grange banquet will be held March 14 and the place will be announced later.

It was unanimously agreed by the grange to go on record as being in favor of the present method of selecting members for the school board.

List R. C. Workers

The Red Cross drive is being sponsored locally this year by the local group and the following solicitors and their territories are listed: Richard Florence, chairman, Mrs.

Bullet Grapplers Cop 7th Straight MAWC; Walmsley And Harrell Win In Finals

Gettysburg College won its seventh straight Middle Atlantic wrestling title by edging runner-up Lafayette 39-36 in the annual meet held Friday and Saturday at the University of Delaware.

Gene Haas' Bullets, who had a 5-2-1 regular season mark, gained two individual championships.

Bob Walmsley, 130, and Jerry Harrell, 167, took victories in their respective events in the finals.

Two other Bullet entries, Dave Turnbull, 137, and Dick Mitchell, heavyweight, advanced to the finals but were defeated, Turnbull by a pin and Mitchell on decision.

Team Scores
Team scores were: Gettysburg 39; Lafayette 36; Ursinus 23; Haverford 14; Muhlenberg 13; Delaware 10; Swarthmore 4, and Bucknell -3. Bucknell's -3 score resulted when it defaulted in a match after previously picking up two points.

The Bullets gained important points in the consolation bouts for third and fourth places. Ken Purdy, 123, won via a fall; "Skip" Lewis, 147, and Captain Bill Sells, 177, won on decisions, while Charley Heverly, 157, won by default when Tyson, Swarthmore, suffered a possible fractured shoulder.

Fred Braun, Lafayette's ace 177-pounder, was picked as the outstanding performer. In Saturday's afternoon semi-final Braun gained a referee's decision over Sells. Braun had pinned Sells in a regular season match here on February 26.

It was announced the annual meet will be held next year at Muhlenberg College, Allentown.

Finals

123, Ed Dawkins, Ursinus, pinned Boyd, Del.

130, Bob Walmsley, Gettysburg, defeated Paolone, Ursinus, in overtime period.

137, Padula, Ursinus, pinned Dave Turnbull, Gettysburg.

147, Hutchinson, Lafayette, defeated Ladd, Del.

157, Gutierrez, Muhlenberg, defeated Dillon, Lafayette.

167, Jerry Harrell, Gettysburg, defeated Pione, Haverford.

177, Braun, Lafayette, pinned Billy Muhlenberg.

Heavyweight, Sayenka, Lafayette, defeated Dick Mitchell, Gettysburg.

Consolations
123, Ken Purdy, Gettysburg, pinned Browning, Bucknell.

130, Snyder, Lafayette, defeated Sangre, Haverford.

137, Zarbatany, Lafayette, defeated Miller, Bucknell.

147, Skip Lewis, Gettysburg, defeated Lenthall, Swarthmore.

157, Heverly, Gettysburg, won by default over Tyson, Swarthmore. Tyson suffered a shoulder injury.

167, Stern, Lafayette, defeated Wenner, Delaware.

177, Bill Sells, Gettysburg, defeated Bode, Swarthmore.

Heavyweight, Stroheck, Haverford, defeated Aucott, Ursinus.

Win Middle Atlantic Mat Crown

Gettysburg College's wrestling squad which won the Middle Atlantic Conference championship in the 17th annual meet at the University of Delaware, Newark, Del., Saturday. The Bullets won titles in 1938 and 39, and for the last six years have been the champions although they were forced to be co-titlists with Lafayette in 1951.

The above outfit turned in a 5-2-1 record during the regular season. Other schools in the meet were: Lafayette, Bucknell, Delaware, Haverford, Muhlenberg, Swarthmore and Ursinus.

Appearing on the picture are: Kneeling, left to right, Ken Purdy, Bob Walmsley, Dave Turnbull and "Skip" Lewis; standing, Romeo Capozzi, trainer, Charles Heverly, Jerry Harrell, "Bud" Snyder, manager, Captain Bill Sells, Dick Mitchell and Coach Eugene Haas. Sells was the defending 177-pound champ. (Lane Studio)

College Swimmers Take 2nd In Mid-Atlantic; Chet McLaughlin Wins

Jim Lentz's Gettysburg College swimmers took second place in the eighth annual Middle Atlantic Collegiate Swimming Association championships which was won by Lafayette on Saturday at Franklin and Marshall College, Lancaster.

Lafayette rolled up 71 points for first place with Gettysburg gaining 52; Delaware 49; Franklin and Marshall 42½; West Chester 24; Drexel 10½; Penn Military College 5, and Swarthmore 4.

The lone first place won by the Bullets was taken by Chet McLaughlin who turned in a 56.4 mark in capturing the 100-yard freestyle. McLaughlin also took a second place in the 220 freestyle.

York High Takes Swim Championship

LANCASTER, Pa. (P)—York High School holds its 12th eastern regional PIAA swimming championship today after setting one record and winning five out of nine events.

York scored 75 points to win the championship Saturday. Coatesville had 39, Allentown 34½, Norristown 16, Lancaster 15½, Abington 15, Scranton Central 13, Cheltenham 9, Bethlehem 7½, Scranton West and Hazleton 4 each, Hershey 3 and Reading 1.

A record time of 1:38.6 was set by York in the 220 freestyle relay.

New Winners Seek Crowns
For the last two years Meadville has been a western Pennsylvania finalist. This time Sharpville and Erie Strong Vincent, Sect. 1, will meet in the Dist. 10 final Thursday. The loss was Meadville's second in 21 games.

Meanwhile, competition continues in the other PIAA districts as new league winners seek crowns lost to 1954 champions. The 1954 champions were: Plymouth, Dist. 2; Chambersport, Dist. 3; Williamsport, Dist. 4; Berlin, Dist. 5; Westinghouse, Dist. 8, and Slatington, Dist. 11.

Carlisle Plays Tonight
Other playoff battles this week, by districts:

Dist. 3 — Manheim Twp. and Carlisle, the team that defeated defending district titlist Chambersburg in the South Penn loop, meet tonight. The winner goes against Reading Wednesday for the championship.

Dist. 4 — Sunbury, Susquehanna league champion, faces Coal Twp., perennial challenger for Dist. 4 honors, in a title game. Williamsport, the 1954 champion, was eliminated from competition early in the season when it failed to win more than two thirds of its independent schedule.

Other Districts
Dist. 5—Bedford and Somerset, the only Class A teams in the district, meet Wednesday for the area crown. Last year's champion, Berlin, a Class B school, did not compete for Class A honors this year.

Dist. 7 — McKeesport faces the winner of tonight's Greensburg-Monessen game on Thursday. McKeesport has been touted as a favorite to go against Farrell for the Dist. 7 crown.

Dist. 8 — Pittsburgh's South Hills has sewed up the Dist. 8 title by defeating Carrick 63-42 Friday. South is the first team in six years to take over the title from Westinghouse.

Dist. 11 — Palmerton meets St. Clair at Memorial Hall in Allentown with the winner to go against Allentown for the district championship at Hershey, Friday.

RICHARDSON "FAIR"
WILLIAMSPORT, Pa. (P)—Thomas H. (Tommy) Richardson, head of the Class A Eastern Baseball League since 1927, is reported in fair condition after undergoing a gall bladder operation at Divine Providence Hospital Friday. He is 60.

ONLY 4 PIAA CHAMPS OF '54 STILL IN RACE

HARRISBURG (P)—Only four 1954 district champions are left in the race for district crowns this year as 25 Class A PIAA basketball teams go into semi-final and final action this week.

Of the five—Chester, Johnstown, Farrell and Kane—only Kane, of Dist. 9, has retained its crown for certain. The others must get by stiff opposition this week.

Facing the roughest opposition is 1954 state champion Farrell, of Dist. 7 (WPIAL).

So far in their quest to keep the district title the Steelers have had relatively little trouble, cruising by West View, 61-40, and Wilkensburg, 67-41.

Chester Faces Yeadon
But they face a good Midland quintet Wednesday in semi-final action at the University of Pittsburgh Field House.

Meanwhile, 1954 state runnerup Chester is embroiled in its own campaign to again take the Dist. 1 title. The Clippers must face 1953 State Champion Yeadon at the University of Pennsylvania Palestra in a semi-final game Wednesday.

The final district championship games in both Dist. 7 and Dist. 1 will be played next week, Dist. 7 on Wednesday, Dist. 1 on Monday.

Johnstown In Playoff
Johnstown assured itself of a playoff game against traditional foe Altoona Friday by defeating Lewistown, 66-45, Saturday. Dist. 6 championship in the past often has been in the hands of one or the other of the clubs.

This year the two teams split in their two meetings, Altoona winning the first, 66-65, and Johnstown taking the second, 81-56.

Sharpville, representing Sect. 3, came from behind Saturday to lick the bulldogs, 52-42 to end a three-year reign for Meadville as district titlist. Sharpville was the last team other than Meadville to win the district flag taking it from the Bulldogs in 1950.

New Winners Seek Crowns
For the last two years Meadville has been a western Pennsylvania finalist. This time Sharpville and Erie Strong Vincent, Sect. 1, will meet in the Dist. 10 final Thursday. The loss was Meadville's second in 21 games.

Meanwhile, competition continues in the other PIAA districts as new league winners seek crowns lost to 1954 champions. The 1954 champions were: Plymouth, Dist. 2; Chambersport, Dist. 3; Williamsport, Dist. 4; Berlin, Dist. 5; Westinghouse, Dist. 8, and Slatington, Dist. 11.

Bill Snyder, Coach Bream Honored As Bullets Lace Juniata In Last Home Tilt

2 CANNER MAT STARS BOW OUT IN SEMI-FINAL

Both Biglerville High School matmen who advanced to the semi-finals in the District 3 PIAA championships at Manheim over the weekend lost their events.

Ralph Mentzer, 145-pounder, dropped a 6-0 decision to Dave Wolfskill, Hanover, while Donnie Himes, 165, was pinned by Bruce Gilmore, Reading.

Reading High won the team title, displacing Lancaster.

Team scores were as follows: Reading 38; Hershey 31; Hanover 26; Solanco 24; Manheim Township 23; Manheim Central and Columbia, 17; Lancaster 11; York 9; Shippensburg 4; Biglerville 2; Spring Grove 1. Non-scoring teams were Boiling Springs, Susquehanna and West York.

At halftime ceremonies, Snyder was presented a trophy by the Booster Club and Gettysburg College radio station WWGC which will later be inscribed with all the records Snyder has set while here. Phil Delta Theta, Snyder's fraternity, presented him a jewel pin, and Rudy Featherstone made a presentation on behalf of Barracks Three.

Tight First Half
During the first half, the game was nip and tuck with never more than four points separating the teams. The Bullets, by sinking a pair of goals in the final minute of the first half, the last by Snyder, managed to leave the floor with a two-point edge, 43-41.

Defense was the Bullet key word in the second half, as they guarded Juniata much closer while finding the shooting range, with the result they outscored the visitors 49-32 for the win.

A pleasing feature in the final half was Bill Ward's play after he replaced Dick Hockenbury who fouled out. Ward gained three field goals, including two tap-ins, and sank six fouls in as many attempts.

The win was Gettysburg's eighth in 22 games while Juniata suffered its tenth loss against 11 victories.

Freshmen Win
Gettysburg's freshman dribblers trounced the Harrisburg Boys Club 87-58, in a game fractured by the yearlings' 35-point first quarter. The Harrisburg Club was a replacement for Hershey.

Both varsity and freshmen teams will travel to Lancaster Tuesday to oppose Franklin and Marshall in the Armory in a game which was moved up from Wednesday.

HOCKEY LOOP IN HOME STRETCH

By THE ASSOCIATED PRESS
The American Hockey League entered the final two weeks of its dog-eat-dog pennant scrap today with only four teams separating the first five teams. Four can qualify for the Calder Cup playoffs.

The Springfield Indians moved into sole possession of first place with 63 points last night as they defeated the Cleveland Barons 7-2.

But the Indians' margin over the second place Pittsburgh Hornets is only one point. And Buffalo trails but a like margin after whipping the Providence Reds 9-2. Cleveland and Hershey are tied for fourth with 59 points each.

The Indians took a 3-1 lead over the Barons in the first period on goals by Doug McMurdy, Graham Hastings and Buddy Boone. The score was still a respectable 4-2

Mountaineers Beat Loyola 99-93 In Overtime Battle For Mason-Dixon Conference

A courageous Mount St. Mary's basketball team inched back from the edge of defeat Saturday night at the Loyola gymnasium in Baltimore to successfully defend its Mason-Dixon tourney crown by beating the Loyola Greyhounds 99-93 in an overtime tussle before an overflow crowd of more than 2,000 people.

Sal Angelo, the Mountaineer's bruising rebounder, playing his last intercollegiate game, capped the long uphill fight with a crucial one-hander in the last five seconds to knot the score at 87-87 in the regular tilt.

In the overtime Angelo got the Mountaineers off on the right foot with two foul flips. Loyola's Bill Brown tied things with a jumping one-hander and from then on it was all Mount St. Mary's. Freshman Billy Williams hit one of two fouls and Angelo grabbed the rebound on the second charity toss to dunk another two-pointer. After that the Blue and White was never in trouble as tiny Eddie Bals, "a big man tonight," and Bill Stanley wove in and out of the Loyola zone with a flashy exhibition of dribbling that finally saw all five Greyhounds in unsuccessful pursuit of the little speedsters.

"Sensational Shooting"
Although the pressure was intense even at the outset, both teams enjoyed sensational early shooting. After the Mountaineers had built up a 6-2 spread in the early moments, the Greyhounds racked eight straight points to forge into a lead they held until Angelo put the Blue and White back on top with a long one-hander at 17-16.

Loyola scampered back in front and the Mountaineers spent the next 12 minutes in a vain attempt to catch up. Only the deadly sharpshooting of Eddie Bals, who could do no wrong with his long sets and driving one-handers, kept the Mountaineers in contention. Finally Jack Sullivan, defense, tied things at 34-34 with five minutes left in the first half.

HAMEY FUMES OVER 'NO GAME'

CLEARWATER, Fla. — The Philadelphia Phillies spent a couple of hours limbering up yesterday while General Manager Roy Hamey fumed because the several thousand fans on hand couldn't see a game.

"We should have been playing a game today," Hamey complained. "I'll agree that the squad should have at least 10 days of training before the first game—which the rule specifies—but it's silly to waste a weekend like this."

Hamey referred to the new rule that no training can take place before March 1. He predicted that the regulation would be abolished before another spring rolls around.

BETHLEHEM, Pa. (AP) — A 54-point tie for the championship in the 20th annual prep school wrestling meet is shared today by the Hill School of Pottstown and Milton Hershey School of Hershey.

Louis Winner, 157-pound champion from Mercersburg (Pa.) Academy, was voted the most outstanding wrestler at the meet which took place at Lehigh University Saturday.

The score was knotted again at 36-36, 39-39, and 41-41 before the Mountaineers raced off to a 45-41 advantage at halftime.

Mount Leads At Half

As the second half got underway the Mountaineers threatened to make a rout of the game as they widened their margin to ten points on goals by Sullivan, Angelo, and Bals. Loyola hustled back to forge ahead 62-62 and from that point the lead alternated back and forth until the Greyhounds forged ahead and appeared to have the decision locked up as they led 87-85 and had possession of the ball with just 40 seconds left. But Bill Stanley who won Friday's game against Baltimore U., and Eddie Bals, pressing the Greyhounds, upset the home team, and the Mountaineers grabbed the ball. Sal Angelo rushed up court to coax a jumping one-hander into the webbing and even the game at 87 all with five seconds to go.

In winning their second straight tourney crown, the Mountaineers gave a great team performance against a Loyola team that admittedly played its best game of the year. The Mountie big three, Sal Angelo, Ed Bals, and Jack Sullivan, named to both the all-conference and all-tourney teams, matched the hot Greyhounds shot for shot. Big Charley O'Donnell, too, came into his own dumping in 17 points on long sets, while Jack McNamara was a tower of strength on defense as he stretched the Loyola shooters out and batted down shot after shot. Freshman Bill Williams, forced into action when McNamara piled up fouls, sank five vital free throws and played 6'8" Charley McCullough to a standstill under the boards.

Have 23-4 Season

In completing their most successful season in history, 23 wins against 4 losses, the Mountaineers crack a host of tourney records. Jack Sullivan, high man again in the tourney final with 29 points, now holds these tourney marks: most points for one game—43 vs. Baltimore U., Friday night; most field goals one game, 16 vs. Baltimore; most points one half, 25 vs. Baltimore; most free throws made in tourney 29; most field goals tourney 34; most points tourney 94. As a team the Mountaineers also cracked the tourney record of 267 by hitting for 297 over the three game stretch.

The triumph was a great climax to young Jim Phelan's first year at the helm of the Mountaineers. Under Phelan the Blue and White broke almost all existing Mountaineer cage records, whipped St. Francis, of Brooklyn, St. Francis, of Loretto, Georgetown, and St. Peter's, of Jersey City. Only the Quantico Marines were able to beat the Mountaineers in convincing fashion.

Only Sal Angelo, greatest center in Mountaineer history and three times all-tourney and all conference ace, and Frank Swaine, dependable reserve, are lost by graduation, and from the 13-man championship team, Swaine, key man in last year's tourney triumph, did not don uniform in this year's tourney because of a concussion suffered in practice.

NCAA TO OPEN WITH IVY LOOP TITLE UN-FIXED

By ED CORRIGAN
The Associated Press

Except for the Ivy League race, which has yet to be decided, all the tumult and the shouting of the regular college basketball season is over. Now it's down to the serious business of the NCAA and National Invitation tournaments.

The Ivy League representative will be determined by Wednesday at the latest—a day after the NCAA Tournament gets under way. This is the most complicated situation since the Ivies began keeping records back in 1902.

Here's the setup:
Complicated Picture
Princeton, second in the league with a 9-4 record, closes its regular season schedule against Brown in the first game of an unusual double-header at Princeton tonight.

Columbia and Penn, who finished in a tie for first with 10-4 records, clash in the second game.

If Princeton loses, the nightcap will be for the championship. But Princeton is a strong favorite to whip Brown, and if the Tigers do win, they'll meet the second-game winner Wednesday night on a neutral court for the title.

Until yesterday, the Missouri Valley Conference had the key to a spot in both the NCAA and NIT. The race wound up in a tie between St. Louis and Tulsa. The winner of a playoff was to play in the NCAA and the runner-up the NIT. So they solved it by a conference committee vote. Tulsa got the NCAA spot and St. Louis the NIT.

How They Line Up
So here's how they line up in the preliminary round of the NCAA tomorrow night at four different spots:

At New York — Williams, New England representative, vs. Canisius; Duke, Atlantic Coast Con-

ference representative (North Carolina State, the winner, is ineligible), vs. Villanova; and defending champion La Salle vs. West Virginia, Southern Conference titlist.

At Lexington, Ky. — Miami of Ohio, Mid-American Conference champion, vs. Marquette, and Penn State vs. Memphis State.

Second Round Friday
At San Francisco — Idaho State, Rocky Mountain Conference champion, vs. Seattle, and San Francisco, the No. 1 team in the Associated Press poll, vs. West Texas, which got the Border Conference bid on the toss of a coin after tying with Texas Tech for the title.

At Oklahoma City — Oklahoma City U. vs. Bradley.

All the winners go on to the second round Friday, which also will be contested at four sites. At that time, the eight conference champions that drew first-round byes also swing into action. These games will be played at Philadelphia, Evanston, Ill., Manhattan, Kan., and Corvallis, Ore.

Promising Rookies In Pirates' Camp

PT. MYERS, Fla., March 7 (AP)—Among the more promising rookies in the Pittsburgh Pirates' training camp are two outfielders from the Class C Arizona-Texas League, Ray Swarts and Earl Smith.

It's probable that they'll be farmed out for more experience but Pirate officials predict a bright future for them.

Both played for Phoenix last year and gave the team a terrific one-two batting punch. Smith, 26, had a torrid batting average of .387 and 196 RBIs. Swarts, 21, batted .357 and drove in 136 runs.

EARLY WYNN TO GET \$40,000 FROM INDIANS

By SHELDON SAKOWITZ
The Associated Press

Since pitching usually is the predominant factor in the success of a pennant winner, the Cleveland Indians had good reason today to gloat.

The last of the Tribe hurlers, Early Wynn, a perennial holdout, came to terms yesterday. The hard-working right-hander signed a contract for about \$40,000.

Teams were not disclosed by General Manager Hank Greenberg, who still has two recalcitrants to contend with — second baseman Bobby Avila and outfielder Dave Philley.

Ended In "Draw"

Wynn said, "You can say it ended in a draw. He (Greenberg) gave in a little and so did I."

The Indians seem to abound in pitching potential for the 1955 campaign.

Wynn and Bob Lemon were the mainstays last season, winning 23 apiece, while Mike Garcia accounted for 19 victories and Art Houtteman contributed 15. That adds up to 80 of Cleveland's 111 triumphs.

Vets, Rookies Back

Veterans Bob Feller (13 victories) and Hal Newhouser (7), plus rookie relievers Don Mossi (6) and Ray Narleski (3), also will be back on the scene, hoping to duplicate their 1954 success.

Vernon Signs

But Cleveland also is expecting another pitcher, who wasn't with them last season, to be a big asset. He is Herb Score, a strapping 21-year-old left-hander who com-

Coeds Win Final For 9-1 Record

The Gettysburg College girls' basketball team ended its season here Saturday afternoon by trouncing Elizabethtown College 51-36.

It marked the ninth straight victory of the campaign for the Bullettes who lost only their opening game to Bridgewater.

Alice Davis and Jan Sachs each netted 18 points in leading Coach Grace Kenney's outfit to victory.

Other happenings around the spring training circuit:

Mickey Vernon of the Washington Senators ended his holdout by signing for a reported \$26,500.

With Ted Kluszewski of the Cincinnati Redlegs pinch-hitting safely for both sides, big Klu's team edged the Gus Bells 2-1 in an intrasquad game.

Rookies Bob Zick and Joe Stanaka and veteran Bubba Church pitched shutout ball as the Blades blanked the Leonards 5-0 in a Chicago Cub intrasquad game.

Walt Dropp Homers
Walt Dropp, hoping to plug the Chicago White Sox's first base gap, hit a homer and two singles in the Sox intrasquad contest.

Third baseman Jim Pinigan delivered three hits and rookie southpaw Carl Duser allowed just one hit in three scoreless innings to highlight the Kansas City Athletics' first intrasquad game.

Home runs by Willie Mays and Whitey Lockman sparked the New York Giants' regulars to a 9-3 victory over the rookies.

Bill Bruton belted an inside-the-park home run with two men on base as the regulars tied the scrubs 4-4 in an intrasquad game at the Milwaukee Braves' camp.

ST. FRANCIS 5 WINS ANOTHER

The St. Francis Xavier School basketball team added another victory to their string by outclassing St. Anthony's of Lancaster here Sunday 54-14.

John Gastley again provided the bulk of the attack for the winners by netting 39 points.

At half time the locals led 33-10.

There are varying theories about the origin of St. Valentine's Day — that it grew out of an old Roman festival, commemorates a third-century martyr or marks the date of the supposed mating of all birds.

Who says you can't have getaway and gas saving too?

(maybe you'd better try Variable Pitch Dynaflo!)

As any automotive engineer will tell you, the goal in automatic transmissions has long been a design that would give top acceleration and top gas mileage—and still be absolutely smooth.

Well, it's easy to step up acceleration, or gas mileage—but tough to do both together—unless a lot of gearshifting takes place, which cuts down on smoothness.

So Buick engineers looked to aviation for the answer—and brother! what a wondrous new magic they came up with!

They took a leaf from today's plane propeller—which switches the pitch of its blades one way for quick take-off—and another way for better gas mileage aloft.

They brought the same principle to Dynaflo Drive*—to the twenty propeller-like blades in the Dynaflo "stator." They engineered these blades to swivel like the blades of the plane propeller—and with the same results.

In cruising and all normal driving, the blades are angled for economy—and you get a lot more miles from a tankful of gas.

But when you have to move instantly—when you need quick getaway, or a sudden burst of safety-surge power to get out of a tight spot—you just press down that gas pedal, and you're off in a split second.

You've never felt anything like it before—because there's never been anything like it before in an automobile.

It's action that's sheer thrill—action that's backed by the highest V8 horsepowers in Buick history—action that's sending Buick sales soaring to record-high levels.

Come in and try it, at the wheel of a Buick SPECIAL, CENTURY, SUPER or ROADMASTER. You have nothing to lose—and the year's most thrilling buy to meet.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

HURRY — NO TIME!

Most people want to live a long
and happy life, but they cannot
expect to attain this ideal objec-
tive by hurrying to it. Every
worthwhile problem needs to be
carefully studied and often prayer-
fully. Speed so often turns out to
be tragic, as we note in the care-
ful reading of our newspaper.

The business man, or other
worker, who is forever bemoaning
the fact that he is too busy and
has no time, deceives himself far
more than he does others, for
others, less capable, could do the
same work in much less time —
without hurrying! People think
they must hurry to get things done.
You never meet great executives
who appear to be in any great
hurry as they do the day's work.

Ever hear these expressions? "I
can't. I have too much to do."
"I'm too busy. Get someone else
to do it for you." "My time is all
filled up." On the other hand, how
smoothly a really great executive
works. He has plenty of time —
and more!

One of the curses of our time
is our speeding automobiles. What
do such people do with the extra
time saved? Often it is not saved
at all. In front of my work window
I heard a crash and looked out
to view a terrible wreck of an
expensive car and the driver soon
hurriedly taken to a hospital. No
time saved there — perhaps not
even a life!

It's the "too busy" people who
wear out, never taking a vacation,
living a tense life. How such peo-
ple cheat themselves and others,
as well. That possible inner peace
and harmony die out, so that the
body begins to resent the power
(the Mind) that cheats it out of
its birthright. We each need out-
side time in which to play, have
fun, and recreate joys without
which all work would prove dull
and without interest on our part.

Tomorrow Mr. Adams will talk
on the subject: "The Power Of
Purpose."

VAIN COMPLAINING

When the weather's too cold or
in summer too hot
If 't would do any good I would
grumble a lot,
But I've noticed whenever I start
to complain
The snow keeps on falling and
so does the rain.

I could wail with the loudest
through winters severe,
But the winds keep on blowing
as though it can't hear,
Though a constant complainer
I'm able to be
Jack Frost and Old Sol will not
listen to me.

I know all the words and the
phrases to use,
When I don't like what I can
growl if I choose,
But to all sorts of weather I
meekly submit
Since to grumble about it won't
change it a bit.

LANCASTER, Pa. (P) — With po-

drove for 42 miles down the wrong
side of the busy Pennsylvania
Turnpike last night at speeds up
to 100 m.p.h.

The chase finally ended when
the speeding car crashed into a

a hospital two hours later without
giving any reason for his flight.
Police said he hit the roadblock at

As his car roared along, some-
times without headlights, dozens of
terrified motorists were forced off
the highway. One car went down

and continued on for at least 10
feet.

Price told this story of the
chase:
"Shelly entered the turnpike at
the Lebanon-Lancaster inter-
change at a speed estimated at
60 m.p.h. without stopping to pick
up a toll ticket. He headed west-
bound in the proper lane for eight
miles and then pulled into a ser-
vice station.

Crushed Over Roadblock
"An officer asked him for his
driver's license and he handed it
over. Then he roared off, travel-
ing east in the westbound lane.

"Two patrol cars took up the
chase in the eastbound lane, travel-
ing at speeds up to 100 m.p.h.
When he turned off his lights, the
patrol cars picked him up with
their spotlights, one traveling
ahead of him and one behind. That
probably saved many lives.

"He ran through one hastily
erected blockade before we finally
got the tractor trailer across the
road. The truck was well lighted
with flares but he made no effort
to stop."

SON ARRESTED
FOR SLAYING
ON DAD'S TIP

PITTSBURGH (P)—A father's tip
to police led to the arrest Saturday
of his 16-year-old son who police
say admits bludgeoning to death
his 68-year-old great-aunt.

William Wright of Collingdale,
Delaware County, was taken into
custody at the George Junion Re-
public Correctional School in Grove
City where he was committed last
year for theft and running away
from home.

Adam Geisler, assistant super-
intendent of Pittsburgh police, said
that Wright gave police an oral
statement, admitting he killed his
great-aunt, Mrs. Evelyn Thomas.
The elderly woman was slain
last Jan. 26 in her home in Pitts-
burg's Shadyside Section with a
ball pen hammer. Police found her
body after being summoned to
quell a fire.

Brought to Pittsburgh, young
Wright was charged with murder
and then lodged in jail pending a
coroner's inquest.

The boy's father, Robert, sup-
plied the information that led to
his son's arrest.

Mr. and Mrs. Wright, learning
of the slaying of Mrs. Thomas
only a week ago, noticed it oc-
curred on the same day their son
had run away from school.

The elder Wright told the Del-
aware County district attorney
about this, Pittsburgh police were
notified, and detectives went to
the school to question young
Wright.

Admission 10 and 15 cents.
Don't fail to patronize it.

We understand that the sale of
Mr. John J. Kugler has been in-
definitely postponed. It was to have
taken place on the 22d.

The recent visit of Secretary
Shurz and the members of the In-
dian Committee of the House, to the
Indian training school at Carlisle,
favorably impressed them with the
progress of the experiment. There
are now 150 Indian boys and girls in
the school and Mr. Shurz proposes
to increase the number to 300. The
Indian chiefs, at first reluctant to
have their children committed to
the care of the "white chiefs," are
now anxious that more be taken.
Red Cloud, Spotted Tail, White
Thunder, Black Crow, American
Horse and other chiefs, nearly all of
whom have children at the school,
will be given an opportunity to visit
the school in the spring.

Thieving: The people of York
Springs and neighborhood continue
to be troubled by petty thieving and
burglaries. Last week we referred
to the burglaries perpetrated on My-
ers & Bros., A. Grove and A. S. Hart-
man. The thieves continue their
operations.

Two Democratic Officials
Ask Speedy Changes In UC

HARRISBURG (P)—Two admin-
istration officials today called again
for speedy Senate action on the
state's unemployment compensa-
tion problem as an end-of-the-
month deadline was just 24 days
away.

Mrs. Ruth Grigg Horting and
John R. Torquato, public assistance
and labor and industry secretaries,
respectively, joined in pressing for
passage of the administration's
proposed UC changes. They esti-
mated the House-approved meas-
ure would save the state \$2,800,000
a year in public assistance costs.

The unemployment muddle, due
to enter the critical stage March 31
with the end of the first quarter
of the year, was only one of sever-
al major issues facing lawmakers
as they opened the 10th week of
the 1955 session. The Senate ses-
sion was set for 3:30 p.m. with
the House beginning a hour later.

"It is obvious that permitting
extended insurance coverage for
longer term unemployment would
show a higher, as well as pro-
gressively increasing, proportion of
savings under the public assistance
program," Torquato said.

Grant Extra Weeks
He referred to provisions of the
bill which would raise the maxi-
mum number of weeks an unem-
ployed person is entitled to from
26 to 30 and at the same time
provide that all benefits be spread
over a 30-week basis.

The proposals also would hike
the maximum weekly benefits from
\$30 to \$35 and increase employer
payroll taxes from an average 1.2
per cent to 1.65 per cent. The
bill would do away with the so-
called peril point which would
dictate a drop from \$30 to \$20 and
jump all payroll taxes to a maximum
2.7 per cent effective April 1.

Torquato took the position that
at least 6 per cent of the persons
who exhaust unemployment com-
pensation benefits immediately go
on the state's relief rolls. By ex-
tending the period they are eligible
for benefits the money will be
received "when it most sorely is
needed."

Mrs. Horting urged Senate ap-
proval of the measure on the
grounds that it will benefit the
"general economy" of the state.
She said the extended period for
benefits would stave off new pres-
sure on the public assistance fund.

She said that in the last four
months more than 5,000 persons
who exhausted jobless benefits un-
der the present law went on re-
lief. Passage of the bill, now before
a Senate committee, would check
this trend.

"It is our opinion," Mrs. Horting
added, "that the general economy
will benefit by the passage of the
bill which will result in a large
saving in public assistance costs."

Garden And Building News

Rooms	Seven
Bedrooms	Four
Closets	Eight
Cubage	
House	28,300 ft.
Garage	3,800 ft.
Dimensions	53'x29'

A delightful one-story house, "The May" contains seven good sized rooms plus a spacious utility room. This attractive, modern home, presented today by the Home of the Week Plan Service, is planned for gracious comfortable living for a modern family.

While any exterior finish can be used with equally successful and charming results, shingles are recommended for they are in most perfect harmony with the homey qualities of "The May." Colored roofing and blinds can be used most effectively to add a dash of brightness to the exterior appearance of the house. Simple landscap-

ing, too, will bring out the natural charms of this delightful home. Measuring 53'x29', "The May" would require at least an 80 foot lot. Cubage of the house is 28,300 feet; cubage of the garage is 3,800 feet. This house should be so situated that there is a generous amount of free land on all sides.

Containing three spacious, well lighted bedrooms, "The May" also has a pleasant 13'4"x11' room which can be used as a den, bedroom or guest room. Thus, you'll find no lack of sleeping space in this house.

Because the dining room is so near to the kitchen, you can easily eliminate the breakfast nook if you so desire. Then, the kitchen will serve strictly as a work center. Counters, cabinets, cupboards and appliances are so arranged as to make kitchen tasks as easy and pleasant as possible for the busy housewife.

Two cabinets built into the back

corners of the dining room are convenient, roomy storage places for your fine china and glassware. The large picture window in the back wall is both a practical and decorative feature that makes the room far more pleasant as well as attractive.

Planned as a room in which family and friends can gather, the spacious living room also is well lighted and pleasant. Decorative details of the room should be planned around the three windows in the front wall and the fireplace in the back wall. Because of the excellent door arrangement it is not necessary to walk through the center of the living room to go from one section of the house to another.

Providing protected entrance to the garage as well as serving as a laundry the utility room contains doors leading to both the front and back yards. You'll especially appreciate this fact when you're hanging up the family laundry. The only must installation in the full cement basement under

FLEET ADMIRAL SAYS U.S. CAN HOLD 'ANYTHING'

TAIPEI, Formosa (AP)—The boss of the U.S. Pacific Fleet says, "If the United States is willing we can defend anything against the Communists."

But the statement left the Reds guessing.

Adm. Felix B. Stump was asked by newsmen whether his statement included the Communist-menaced Matsu Islands, 20 miles off the mainland.

He replied, "Anything." However, top American officials have not specifically and publicly said what action would be taken in event of a Red assault on the Matsus or Quemoy, another Nationalist island across the Formosa Strait.

Visited Matsus Stump visited the Matsus yesterday. He was here several days for conferences concerning Formosa's defense. He had a final talk this morning with President Chiang Kai-shek before going to Hong Kong.

Asked if there was a danger of war, Stump told newsmen, "It depends on the Communists. We are not the aggressors—they are." The offshore island front has been quiet the past few days.

A Taipei newspaper credited the Defense Ministry with saying that speculation that the Nationalists will pull out from the Matsus is groundless and that the islands will "not be abandoned now or in the future without a bitter fight."

Aid Speeded Stump said aid to the Nationalists would be speeded up and boosted. In that connection, 22 landing craft were turned over to the Nationalist navy by the United States today at Koahsiung in southern Formosa.

"The May" is the heating plant; this should be placed under the living room.

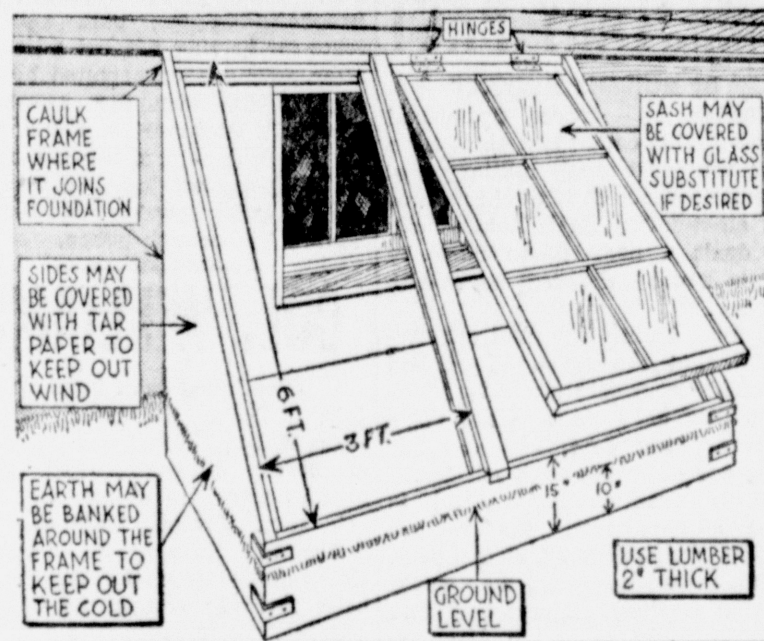

Blueprints Available Complete plans and specifications for this house and all other "Home of the Week" designs are available at moderate cost.

For plan prices, write to the Home Building Editor, The Gettysburg Times, Dept. 18, and enclose a self-addressed, 3c stamped envelope. Allow seven to 10 days for a reply.

Do It Yourself

This Hot-Bed Is Heated Thru Basement Window

A by-product of a heated basement, which home gardeners will find helpful, is a hot-bed built around a window, through which basement heat can escape to help plants grow.

This is a most convenient way to start seedling plants weeks before they could be grown outdoors. The basement window will give easy access to the plants when the weather is still too cold for outdoor comfort.

Sunlight is as necessary for this type of hot-bed as for all others. For sturdy plants of full transplanting size a south window is required. Temperature can be controlled by raising or lowering the sash, and use for it can be found throughout the year, especially in protecting plants during winter.

The cost of construction is small, especially if you build it yourself from the complete working drawing which accompanies this discussion. Dimensions in the drawing provide for a frame covered with two standard 3 x 6 sash; but these can easily be changed to fit any size sash you prefer to use.

Start by making an excavation in front of the window about 6 inches deep. Its area must be figured carefully, so that it will hold a frame fitted to your sash. As in the case of other hot-beds, a plastic substitute for glass may be used if preferred.

Build a frame to fit in the excavation. The sides must slant sharply from a point above the window, almost to the ground. Fit the sash on this frame, using hinges at the top so the sash may easily be raised for ventilation. Earth may be banked around the

SHAPIRO STICKS TO CHARGES OF "INHUMANITY"

HARRISBURG (AP)—Harry Shapiro, state welfare secretary, today repeated charges of "administrative malpractices," "disgraceful penal abnormalities," and "inhuman methods" at the Laurelton State Village for mentally deficient women in Union County.

Referring to a weekend testimonial dinner held for two village administrators who resigned recently, Shapiro said in a statement:

"All of Sen. (Samuel B.) Wolfe's huffing and puffing will not blow down the monument of cruelty that still stands on the premises as incontrovertible evidence of the inhuman methods used to tantalize and torture patients at Laurelton."

Called Shameful Sen. Wolfe (R-Union) spoke Saturday at a dinner staged by the Women's Club of Union County for Dr. Effie Ireland and Dr. Catherine Edgett, formerly superintendent and assistant superintendent at Laurelton. Both re-

framed to keep out the cold; and the sides should be as tight as possible to keep out the wind. The frame should be caulked where it joins the foundation to prevent drafts. Heat is supplied to this bed by opening the basement window.

Drummer Ends 57-Hd. Marathon; Not Again

HOLLYWOOD (AP)—Roy Harte may not blow his own horn but he certainly believes in beating his own drum.

Harte, a 30-year-old radio and TV bandsman, put down his sticks at midnight Saturday after drumming for 57 consecutive hours.

During the marathon Roy was given haircuts and shaves, was fed steaks and orange juice without missing a beat. He even boarded a truck, and still playing rode to a night club where he sat in with Gene Krupa's band.

Roy had "a real fast 12 hours sleep" yesterday and doesn't think he'd like to do it again.

Nab Deputy For Illegal Hunting

BRATTLEBORO, Vt. (AP)—Jacking deer proved costly for a part-time deputy game warden.

William Townsend, 26, was fined \$300, plus court costs of \$8.05, and was given a suspended sentence of 60 days in jail.

Jacking is the illegal practice of attracting deer by spotlight for the kill.

signed after Shapiro ordered closed one of the village's cottages.

Sen. Wolfe told the dinner that it was shameful that the professional reputations of the two doctors be "besmirched by the political maneuverings of one man."

"I challenge Sen. Wolfe, Dr. Ireland and Dr. Edgett to prove that a prison or jail with solitary confinement cells has any place in an institution for the treatment of feeble minded. . . I for one am looking forward to the appearance of Dr. Ireland and Dr. Edgett before the investigating committee," Shapiro replied.

Wolfe sponsored a legislative investigation of the village which has won Senate approval. It is scheduled for House approval late today.

GEORGE GOBEL, WALT DISNEY TO RECEIVE HONORS ON TV TONIGHT

By JAMES BACON

HOLLYWOOD (AP)—George Gobel and Walt Disney stacked up as favorites to win television Emmies tonight as the nation, via NBC-TV, watches the seventh annual awards of the Television Academy.

The TV counterpart of the movies' big Oscar show goes on national television for the first time (11:30 p.m., to 1 a.m., EST). It will start at 11:30 p.m. and continue to 1 a.m. EST.

If Disney wins an Emmy in his first year of telecasting, the trip to the podium will be old stuff for him. He has won 24 movie Oscars, more than any other producer.

Steve Allen, Gunning Top TV shows and performers in 21 categories will be honored at a black tie dinner show originating at the Moulin Rouge here and at Nino's LaRue in New York. Steve Allen is flying in from New York to emcee the Hollywood part of the show while Dave Garraway will handle the chores in New York.

Unlike some of the movie award presentations, the television show will have the great bulk of its nominees on hand to accept awards if called.

One bulky nominee, Jackie Gleason, even postponed his vacation two days in order to be present. Some of the Moulin Rouge's top production numbers featuring shapely chorus girls will be seen on the telecast.

FEW STOCKS ARE "OUT OF LINE," DAY ASSERTS

By JOHN CHADWICK
WASHINGTON (AP)—James E. Day, of Chicago, president of the Midwest Stock Exchange, said today that the prices of very few stocks appear to be out of line despite an 18-month rise in market averages.

He and Ronald E. Kaehler, president of the San Francisco Stock Exchange, were called to tell the Senate Banking Committee about the two largest exchanges outside New York City where stocks are bought and sold.

The committee started public hearings last week in what Chairman Fulbright (D-Ark) described as "a friendly study" to determine what's behind the boom in stock prices and what it may bring.

Not A Single Unit
Day cautioned in his prepared testimony against sweeping generalizations about the market being up or down on the basis of various stock averages.

"The market is made up of hundreds of issues that daily have opposite trends," he said. "An erroneous impression is created when we speaking about the stock market as a single unit."

"The only sound way to evaluate prices of securities is to analyze them on the basis of book value, earnings per share and yield. On this basis, it would appear that very few stocks are out of line price-wise."

Outlook Healthy
Day said there are "a hundred and one reasons" why people buy and sell stocks or anything else.

Scribes Pick SP All-Star Squads

Members of the South Penn Sportswriters Association met Sunday afternoon in the offices of The Gettysburg Times and made their selections for the All-South Penn all-star teams which will be announced Thursday. Coaches of the member schools assisted in the balloting.

Vaden Richards, Chambersburg, presided at president.

Attending the meeting were Richards and Bob Shuman, Chambersburg; Wilbur Davis and Jess Garber, Waynesboro; Edouard Grenier and Jack LeFevre, Hanover; Art Renfrew and Paul Adams, Carlisle; Sam Procopio and Don Clever, Shippensburg; and Jim Hartzell, Gettysburg.

Ship Salis Without 300 Striking Crewmen

NEW YORK (AP)—The Queen of Bermuda was at sea today, steaming toward the island of Bermuda and leaving 300 striking crewmen stranded in New York as alleged "deserters."

The 22,500-ton vessel sailed yesterday without passengers and manned by a skeleton crew of 120.

Many of the passengers had already been settled in their cabins late Saturday afternoon when the British-owned Furness Withy Bermuda Line announced their trip was canceled. Since then, many got air transportation to Bermuda. Others went off to other resorts or returned home.

The strikers, members of the British National Union of Seamen, had left the ship in protest against the firing of three crewmen who had sought a \$30 monthly cost-of-living pay increase. The line claimed the discharged crewmen had become "agitators," threatened other members of the crew and wrote insulting notes to the ship's officers.

and price levels are affected by the attitude of the public as well as values.

"There is every reason to believe that the business outlook is a healthy and vigorous one and that the attitude of the general public is one of confidence," he said.

3 NATIONS ASK NEUTRAL ARAB MILITARY PACT

By ROBERT HEWETT
CAIRO (AP)—Egypt, Syria and Saudi Arabia called last night for a new neutralist Arab military and economic alliance. It would replace the eight-nation Arab League set-up dealt a near death blow by Iraq's recent defense pact with Turkey.

A joint Syrian-Egyptian communique said the two nations had reached "complete agreement" on principles of a pact to set up a joint military command and bar alliances with non-Arab nations.

Saudi Arabia's King Saud in Riyadh announced his government's "full support" of the plan. The three states said they would call a meeting of premiers and defense ministers of the Arab nations this month to work out details of the new pact. The other Arab nations are Lebanon, Jordan, Yemen, Libya and Iraq.

Will Unite Iraq
Syrian Foreign Minister Khaled el Azem said in Damascus that Iraq would be invited to join in the new alliance only if she junked her pact with Turkey.

Egypt's drive for the new neutralist pact, seemingly doomed by Arab dissension less than a month ago, appeared to have received new life from the Israeli attack on the outskirts of Gaza a week ago.

The communique announcing the new alliance did not mention Israel by name, but a high Egyptian official said the proposed joint military command would "take strong measures against any new Israeli aggression."

Lebanese officials were reported to have refused to join the pact until they studied the proposals and knew the position of all Arab countries. The Lebanese, regarded as the most pro-Western of the Arabs, were said to be determined that Iraq should not be isolated.

Jordan Asks More Time
Jordan also reported asking for more time to study the project.

The Syrian-Egyptian communique said headquarters would be set up to supervise training, arm-

2 Local Motorists Fined By Justice

Justice of the Peace John H. Baschore fined two Gettysburg residents for traffic violations Saturday. Daniel Lee Coleman, 130 Breckenridge St., paid \$10 and costs for driving without a license, after having been arrested by borough police Saturday afternoon. Morris R. Rummel Jr., 222 E. Middle St., was sent a ten-day notice for reckless driving. He was arrested last Tuesday in Lincoln Square by borough police.

fair, will be addressed by Gill Robb Wilson, Editor and Publisher of Flying Magazine and world famous advocate of air power.

Gen. Twining To Speak
General Nathan F. Twining, Chief of Staff of the USAF, has been invited to give the opening address. Other military dignitaries who will attend are: Lt. Gen. Laurence S. Kuter, Commander of the Air University, who will welcome the conferees; Maj. Gen. Gabriel P. Disoway, Commander of the Flying Training Air Force, who will speak on Flight Training; Maj. Gen. Orvil A. Anderson, USAF (Ret.), who will give an address on the USAF Historical Foundation, and Major John Burnett, from Omaha University, who will speak on the Arnold Air Society, national AFROTC cadet honorary organization.

The first conference was held by Headquarters AFROTC in 1952 when college and university presidents, along with their PAS attended a similar meeting shortly after the Air University assumed the responsibility of the AFROTC program.

The hearing was recessed Feb. 24 after the examiner described Mrs. Natvig as an "incredible" witness. Lamb's attorneys moved that the whole proceeding be junked.

set up to supervise training, arm, discipline and distribution of military forces to be placed by each member state at the disposal of a joint military command according to a joint defense plan to meet aggression against any member state.

The communique said economic unity would be achieved by establishment of an inter-Arab bank issuing currency, and other measures.

INDICT WOMAN ON 9 CHARGES OF TELLING LIES

WASHINGTON (AP)—Mrs. Marie Natvig, turnabout witness at Federal Communications Commission hearings, was indicted today on nine charges of lying under oath.

Mrs. Natvig, 51, Miami Beach divorcee, first gave testimony tending to link Edward Lamb, publisher-broadcaster, with communism but later repudiated this testimony.

Lamb has denied any Communist connections. The perjury indictment against Mrs. Natvig was returned by a federal grand jury before U.S. District Judge Charles F. McLaughlin.

At the request of J. Frank Cunningham, a Justice Department attorney, Judge McLaughlin ordered a bench warrant issued for the arrest of Mrs. Natvig.

The judge also followed a suggestion by Cunningham that bond be fixed at \$2,500.

Cunningham told a reporter he does not know Mrs. Natvig's whereabouts.

In testimony at an FCC hearing last October, the thrice-married Mrs. Natvig linked Lamb with communism. Then early last month she repudiated the testimony and said she had been "coerced" into giving it by an FCC attorney.

The FCC hearing was on a petition by Lamb seeking a renewal of license for his Erie, Pa., television station WICU.

The hearing was recessed Feb.

PACT MAY MEAN INCREASE IN TRUCK WEIGHTS

By LEONARD A. UNGER
HARRISBURG (AP)—A tentative armistice reported between warring railroad and truck interests today pointed to early action by the 1955 Legislature on increasing truck weight ceilings.

Sources in both industries confirmed reports that an area of agreement has been reached. It is based on:

1. Railroads diminishing or dropping their all-out opposition to a proposal to boost from 45,000 pounds to 60,000 pounds the weight limit for commonly used trucks in Pennsylvania.

2. Truckers watering down or entirely withdrawing their multimillion dollar suit against the railroad.

Plan New Measure
The Pennsylvania Motor Truck Assn. is known to be readying legislation increasing weight ceilings on the scale of a similar measure adopted by the 1953 Legislature but vetoed by former Gov. John S. Fine.

To make it more palatable to opponents, the PMTA is planning to propose sharp increases in overloading penalties.

Present penalties are a \$25 fine for overloading by from 5 to 10 per cent. It's a \$50 fine if the overloading is more than 10 per cent. A five per cent tolerance is allowed before fines are imposed.

An arresting officer may require that excess weight be unloaded. Under the PMTA proposal still in the drafting stage the tolerance would be reduced to two per cent and there would be compulsory unloading of excess weight.

Penalties, as now contemplated, would be on a sharply graduated scale. Exact amounts have not been decided but it was indicated they would run something like \$44 for the first 1,000 pounds of excess weight; \$128 for 3,000 pounds; \$312 for 4,000 pounds, and six cents a pound beyond that.

At the same time, license fees for trucks affected by increased weights would be greatly increased. Smaller trucks used by farmers and merchants for delivery would not be involved.

The limit for weight per axle would go up to 22,000 pounds instead of the present 20,000.

The general assembly's joint state government commission made a study of the problem and reported in 1953 that truck weights could be increased from the present 45,000 pounds to about 58,000 pounds. The higher figure was based on a formula involving axle weights.

The PMTA supported this proposal with reluctance and the bill failed to pass.

NEW VOLCANIC OUTBURSTS ARE LIKELY IN HAWAII

By ROY ESSOYAN
PAHOA, Hawaii (AP) — The threat of violent new volcanic outbursts hung like a dark cloud today over the danger-filled lava fields of eastern Hawaii Island.

Earthquakes of diminishing intensity jolted the area throughout yesterday. They rumbled along the 20-mile slope from Kilauea crater to the active volcano fields on Puna Peninsula.

Volcanologist Gordon A. MacDonald said Pahoia — its villagers packed and ready to run if a big eruption burst forth — "is still not out of danger, but things are definitely looking better."

May Go On For Weeks
He said volcanoes may continue to pop up in the devastated Puna area "for days, weeks, even months."

Gov. Samuel Wilder King inspected the fuming lava flows and spouting lava fountains from the ground yesterday.

A week of fiery eruptions has driven 600 persons from their homes. Lava flows have closed around at least nine dwellings and caused an estimated two million dollars damage to rich cane and timber lands. Four villages have been evacuated.

Continuous Quakes
A fountain of lava burst out of a cane field a week ago near Pahoia. Since then eruptions and earthquakes have scorched a four-mile stretch across the heart of the Puna Peninsula.

One lava river was about 100 feet from the ocean near a deserted south coast settlement, Pohoiki. The molten stream had slowed almost to a stop.

A second flow south of abandoned Kapoho had virtually stopped 200 yards from the ocean.

The other coastal villages emptied are Kalapana and Opihikao. Seismographs began registering continuous quakes above inland Pahoia Saturday. The uneasy residents maintained vigil in drizzling rain Saturday and yesterday.

TOUGH CHOICE ON REARMING OF WEST GERMANY

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—In deciding to rearm Germany, the West had to choose between the potential danger of revived German militarism and the more immediate danger of an aggressive Russia.

The potential danger remains although, starting out, German rearmament will be under some controls: an armed force of 500,000 men tied in with Germany's Western neighbors and NATO, the North Atlantic Treaty Organization.

The United States more than five years ago proposed German rearmament and has fought for the idea since. It is coming closer to being a reality. France, remembering three German invasions, has been cool.

Much Pacifism There
In Germany itself there is much pacifism and opposition to rearmament. Under the pressure of changing events this pacifist mood may evaporate and become again one of militarism.

The German military leadership has been a consistently dominant, antidemocratic force, contemptuous of civil authority.

Gordon A. Craig, Princeton professor and specialist on German militarism, in a recent lecture considered the danger of rearming Germany by asking: Who will be the new German military leaders?

A Longer Chapter
Reports from Germany have said only those officers who had no connection with the Nazis will be commissioned. But Nazism was only one short chapter in German history. A longer chapter has been that of the military leadership, anxious to find a way to rearm.

Atom Finds Leak In Church Plumbing

OAK RIDGE, Tenn. (AP)—The atom has gone into the plumbing business.
A bad leak developed in pipes of Kern Methodist Church here. The pipes were beneath a four-inch concrete floor.

The Atomic Energy Commission licensed the church to use radioactive iodine at the suggestion of Oscar Blizell, a church member, who is on the staff at Oak Ridge National Laboratory.

The iodine isotopes were pumped into the pipes, and a Geiger counter located the interruption of flow. The job cost the church \$10.

ious for conquest to justify its existence.

It is possible the new leadership, even though non-Nazi, will continue the old story by reverting to type.

Chancellor Konrad Adenauer, friend of the West, has pushed Germany into rearmament. He is 79 and will not be around long. What happens after he leaves the scene is a guess. The West had to gamble on it.

Shift To Russia Possible
Will the present democracy continue, with strong civil controls on the military, or degenerate after Adenauer into a power struggle, chaos, revolution and the return of a dictatorship of some kind?

Rearmed Germany may remain a loyal ally. Or she may burst through Allied controls and plunge into huge rearmament aimed at regaining her lost territories.

The West Germans intensely desire reunion with East Germany, where the Russians have built an armed force with the help of German generals captured in the war.

It is even possible the new military leadership, if it gains enough power, may take Germany out of the Western alliance and shift to that of the military leadership, anxious to find a way to rearm.

UN COMMISSION BLAMES ISRAEL FOR GAZA FIGHT

JERUSALEM (AP)—Israel has been charged by the U. N. Mixed Armistice Commission as a "brutal" aggressor who deliberately attacked Egyptian forces in the Gaza Strip a week ago.

The armistice group said the bloody assault in which 38 Egyptians and 8 Israelis died violated the 1949 Palestine truce agreement. The commission's ruling yesterday heightened speculation at U. N. headquarters in New York that the Security Council would vote similar censure against Israel when it takes up the explosive issue again next week.

Maj. Gen. Edson L. M. Burns of Canada, U. N. Palestine truce chief, was expected to leave for New York in a few days to give the Security Council a personal report on the Gaza incident, which has strained relations in Palestine to the breaking point.

By Regular Army
At yesterday's meeting on the Egyptian-Israeli border, the truce commission adopted an Egyptian resolution declaring the Gaza attack Feb. 28 "was committed by Israeli regular army forces against an Egyptian regular army force." It was carried over Israeli objections.

Here's a delicious afternoon pick-up. Put a teaspoon of instant coffee and one of instant cocoa into a cup; add 3/4 cup boiling water and stir well. Add sugar and cream to taste.

Pirates, Smugglers Routed In Malaya

SINGAPORE (AP)—The royal Malayan navy is credited with having whipped "pirates" and opium smugglers in the Straits of Malacca along Malaya's southwestern coast. Captain H. E. H. Nichols, senior naval officer, says they had infiltrated in large numbers from neighboring countries.

The navy is operating with seven launches and three other ships, including a minelayer, which have been loaned by the British navy.

HURRY IS COSTLY
NEW HAVEN, Conn. (AP)—Russell Erskine signed a note two years ago after an automobile accident agreeing to pay for the damage done to the other car. Common Pleas Judge John T. Dwyer has now ruled that Erskine must pay \$310 on the note even though the accident wasn't his fault, Erskine explained he signed the note because he was in a hurry to get to work.

When he first was a candidate for the Virginia House of Burgesses, George Washington was defeated.

HOLD TRIO FOR THEFT OF AUTO

ELLICOTT CITY, Md. (AP)—Two young men and a girl, arrested by state police Saturday night in a car reported stolen in Frederickburg, Pa., were held here today for Pennsylvania authorities.

Police said the youths were picked up on U.S. 40 near West Friendship. They were identified as Albert Thomas Jr., 22; James Williams, 16, and Nancy Lee Boltz, 17, all of Lebanon, Pa.

The automobile they were driving had been reported stolen Saturday morning by Pennsylvania

state police at Indiantown Gap, Pa.

A spokesman at the Elliecott City jail said the youths were being held as fugitives as a result of the pickup order. Expected here today were Pennsylvania state trooper Lloyd W. Leinhardt, Lebanon County Detective John Lenker and Raymond F. Riddle, identified as the owner of the car.

WHAT'S IN A NAME
GREAT FALLS, Mont. (AP)—Pietro Pavigliante, who came from Italy nearly 50 years ago, went to court and won approval to change his name to Peter Pavilenti.

Pavilenti thought Pavigliante was too hard to pronounce.
